**Subject:** Data Requests from EOHHS Agencies

This is a friendly reminder that any data requests to link data with or request data from other EOHHS agencies must come through the Privacy and Data Access Office. Recently several requests that went directly from DPH programs to other agencies found their way back to the PDAO. This actually delays requests and makes it more difficult for the PDAO when it is brought late into the process. Please be sure to contact Alice Mroszczyk, the Confidential Data Officer, regarding any such requests and copy Tracy Miller as well. Let Alice or me know if you have any questions. Thanks. Tracy Miller
